

CARFIL QUALITY
YOUR SUPPLIER FOR ALL LABORATORY NEEDS

Carfil Pig Nibble

Features

- Certified
- Reduces biting (tail biting, flank biting and ear biting)
- Reduces boredom
- Improves animal welfare
- Has an attractive scent that becomes stronger as the pigs bite in it
- Antibacterial (proven to kill 99.9% E. coli)
- can be used safely and efficiently with pigs from 3-4 weeks old to maturity
- has a unique shape which allows play and interaction with 4 different pigs
- is designed so that 2 or more of the biting parts can be hung on the same chain to give variations of colour and flavour

Specifications
